

CASA of Clackamas County

6th Annual

Charity Golf Tournament

**Monday, August 27, 2018
Oswego Lake Country Club**

Imagine being a child who is abused or neglected by those who should protect you. Imagine being removed from the only home you have ever known and being taken to a foster home. Imagine the fear and pain. Imagine the justice system, where it feels like you have no voice. What if there was someone who could speak just for you? Well, there is: a CASA volunteer.

The mission of CASA of Clackamas County is to train and support community volunteers to provide a voice in court and advocate for the best interests of abused and neglected children in the foster care system who need safe and permanent homes. The children we serve are victims of the most serious types of maltreatment. CASA volunteers give these vulnerable children a consistent, caring adult who is focused only on their best interests, and a dependable and respected voice as they proceed through the child welfare system.

CASAs' advocacy gets results. Research conducted by the National CASA Association shows that children with CASAs receive more appropriate services that meet their specific needs, have better school performance, and do not return to the child welfare system as frequently as kids without CASAs.

According to state law, Oregon should provide every foster child with a CASA, but too many kids go it alone. The state provides just 15% of our program's funding—85% comes from people and companies like you. *Together we can work toward ensuring that every child in care has a CASA. With your help, we can serve more kids. Thank you for your support!*
