CASA

Court Appointed Special Advocates

FOR CHILDREN

CLACKAMAS COUNTY

FY17
JULY 2016 - JUNE 2017
ANNUAL REPORT

OUR MISSION

Our mission is to train and support community volunteers to provide a voice in court and advocate for the best interests of abused and neglected children in the foster care system who need safe and permanent homes.

A MESSAGE FROM OUR BOARD CHAIR AND EXECUTIVE DIRECTOR

"Can a CASA really change the trajectory of a child's case? The answer is yes. CASAs are a human bridge over the troubled waters, a bridge that delivers the simplicity of a child's point of view directly to the judge."

THE HONORABLE SUSIE L. NORBY
Clackamas County Circuit Court Judge

Dear Friends,

What an exciting year it has been! From increasing our programmatic staff capacity to recruiting and training 10 peer coordinators to relaunching our website, we determine our priorities by answering one question: "Will this help us serve more kids?"

In the end, what matters is transforming a foster child's future—helping to ensure that they receive the assistance that they need to help them become more resilient. That starts by getting a CASA appointed to their case. CASAs get results, and they change lives.

Thank YOU for helping us to fulfill our mission: to train and support community volunteers to provide a voice in court and advocate for the best interests of abused and neglected children in the foster care system who need safe and permanent homes. We value your partnership.
